Arrival by tramway

Take tramway no. 4/6/13 and alight at the stop "Sihlquai / HB". The bus station is located across the street.

Arrival by train

Take a train to Zurich main train station (Zürich HB). The departure place is located on the backside of the train station, about 5 – 10 minutes walking distance away. Please direct yourself to track no. 18. This is the last track on the street level. Walk along the track with the tracks to your left and the street to your right until the street turns to the right – follow the street to the right and you will see a restaurant called "St. Gallerhof", then Fred Hotel and a Starbucks coffee shop. The bus parking is located across the street.

Arrival by car

There are several car parks around Sihlquai Coach Parking. Please be aware that they are very expensive and we therefore recommend to arrive by public transport. If you still prefer to arrive by car, we recommend the following car park, which is very close and open 24 hours: *Parkhaus Hauptbahnhof (Sihlquai 41, 8005 Zürich)*. Exit at the Avia petrol station, cross the street to the Sihlquai Bus Station, and walk towards the green building, where you'll find our check-in counter.
